

Extreme Weather Announcement

1. The weather forecast today includes the possibility of extreme [hot/cold/wet/stormy] weather so it will be regularly monitored during today's games.
2. Should it be necessary to leave the green, that instruction will be given by "The Umpire of the Day", including whether to complete the current end [extreme heat] or come straight off [lightning or extreme wet]. Any "come off the green" decisions, "return to the Green" decisions or "abandonment of the game" decision will be made by the Umpire of the Day, in compliance with the Bowls WA, Metro Pennants Conditions of Play.
3. If you have any personal concerns about your health or your safety, you should raise them with your Team Manager who can make arrangements for a substitute or playing short or, if necessary, will raise the issue with the Umpire of The Day.
