

MEN'S COUNTRY DREAM TEAM 16 SQUAD LIST

As part of the 125-year celebration of Bowls WA, Men's and Women's Country and Metropolitan Dream Team 16's will be chosen to honour those players who have had outstanding success on the bowling green since 1896.

Bowls WA is honoured to announce an initial squad of 64 great players who have graced the bowling greens all over Western Australia.

With so many great players over the last 125 years, there are many players who could have made the initial squad. However tough decisions had to be made, with many more tough decisions still to come. The initial squad has been chosen based on a number of factors including achievements in State Events, Countryweek and State Representation.

The selection team will now evaluate all achievements more closely and will undertake the extremely difficult task of comparing players through different era's to fine tune the squad further in the coming weeks, before the final team is announced.

Many players have played for both Metropolitan and Country Clubs, so to ensure all players are treated equally the following squad eligibility conditions have been put in place.

- To be considered for a Country Dream Team 16 position, a player must have won a State or Countryweek Title while a member of a Country Club.
- To be considered for a Metropolitan Dream Team 16 position, a player must have won a State Title while a member of a Metropolitan Club.
- Players will be eligible for both Country and Metropolitan Squads but may only be selected in one final Dream Team 16.
