

WOMEN'S COUNTRY DREAM TEAM 20 SQUAD LIST

As part of the 125-year celebration of Bowls WA, Men's and Women's Country and Metropolitan Dream Team 20's will be chosen to honour those players who have had outstanding success on the bowling green since 1896.

Bowls WA is honoured to announce an initial squad of **64 Great Female Players** who have graced the bowling greens all over Western Australia.

To be eligible a player must firstly have won a State or Countryweek Title as a member of a country club. To narrow the field down further and due to the number of great female players eligible, it was further determined that players who have won multiple titles with a Country Club would be prioritised over players who only won one title as a country player and multiple titles as a metropolitan player.

The selection team will now evaluate all achievements more closely and will undertake the extremely difficult task of comparing players through different era's to fine tune the squad further in the coming weeks, before the final team is announced.

Please Note: For some era's records are not as good as we would hope. There are a number of players whose first names we do not know and in some cases we do not even have an initial. If you know a player's name that is not listed please let Pieter Harris pieter@bowlswa.com.au know
