COUNTRY DREAM TEAMS

The Men's Country Dream Team Selectors have made the difficult decisions and narrowed down the original 64 player squad to 32 players as we make our way to the Country Men's Dream Team 20 in celebration of the Western Australian Bowling Associations 125<sup>th</sup> Year.

In reaching their decisions, the selectors have delved deeper into the players records and have consider the following points

- What events were won while playing for a country or metropolitan club
- What disciplines were played and their involvement in a fours win rather than a singles or pairs win
- In a fours or triples title, who were their teammates and what influence may they of had in the win
- The era they were playing in and the number of players involved in the competitions
- For many major events outside of state events, records are incomplete but the selectors have done their best to know as much about the squad of 64's complete playing record

Using these discussion points, especially the "what events were won for a country or metropolitan club", some great players have missed out on reaching the last 32, as their record shows that they were playing for metropolitan clubs when they won a majority of their titles.

Further scrutiny of all the discussion points will take place when the decision on the final 20 country players are selected.

Both the players who missed selection into the 32 player squad or are named in the final 32 but miss out on the final 20 player team, will be considered for the metropolitan team. The metropolitan 64 squad will be named shortly and may include players who are named in the Country 32 but as per the original guidelines can only make one final 20 Dream Team.

Can you come up with a final 20 players from the list of great country players squad of 32?

Can you put those final 20 players in rinks?

If you can, a prize may be coming your way. Further information will be released shortly on how you may enter our select the Dream Team competition.

All Four Dream Teams will be announced at the Bowls WA Awards Night on Friday 2<sup>nd</sup> June and published soon after.
