

# MEN'S METROPOLITAN DREAM TEAM 20 SQUAD LIST

As part of the 125-year celebration of Bowls WA, Men's and Women's Country and Metropolitan Dream Team 20's will be chosen to honour those players who have had outstanding success on the bowling green since 1896.

Bowls WA is honoured to announce an initial metropolitan squad of 64 great players who have graced the bowling greens all over Western Australia.

With so many great players over the last 125 years, there are many players who could have made the initial squad. However tough decisions had to be made, with many more tough decisions still to come. The initial squad has been chosen based on

- Automatic entry to players who are in the BWA Hall of Fame (This qualification is only considered for the squad of 64 and will not advance these players further on it's own)
- Achievements in State Events (a minimum number of three (3) state event were required).
- Achievements in Singles took priority, followed by pairs and then triples and fours equally.
- State Representation (pre-1960's did not have records for state representation).

The selection team will now evaluate all achievements more closely and will undertake the extremely difficult task of comparing players through different eras to fine tune the squad further in the coming week, before the final team is announced at the Bowls WA Awards Night on Friday June 2<sup>nd</sup>.

Many players have played for both Metropolitan and Country Clubs, so to ensure all players are treated equally the following squad eligibility conditions have been put in place as it was for the country squads.

- To be considered for a Metropolitan Dream Team 20 position, a player must have won a State Title while a member of a Metropolitan Club.
- Players will be eligible for both Country and Metropolitan Squads but may only be selected in one final Dream Team 20.
