METRO DREAM TEAMS

BOWLS WA

The Women's Metropolitan Dream Team Selectors have burnt the midnight oil and narrowed down the original 64 player Dream Team squad to 32 players as we make our way towards the Metropolitan Women's Dream Team 20 in celebration of the Western Australian Bowling Associations 125th Year.

The selectors come from varying eras, so their collective knowledge has allowed them to evaluate many of the players not only in terms of state event wins but also having competed against them personally. Of course, this does not include some of our pre-1960's players where records and newspaper articles were evaluated.

In considering event records, the selectors have delved deeper into the players records and have considered

- What disciplines were played and their involvement in a fours win rather than a singles or pairs win
- In a fours or triples title, who were their teammates and what influence may they of had in the win
- The era they were playing in, the number of players involved in the competitions and the standard of the competition
- For many major events outside of state events, records are incomplete, but the selectors have done their best to know as much about the squad of 64's complete playing record

Such is the strength of the metropolitan squad, some great players have missed out on reaching the last 32, and unfortunately more great players will not make the final 20 metropolitan players.

Can you come up with a final 20 players from the list of great metropolitan players squad of 32?

Can you put those final 20 players in rinks?

If you can, a prize may be coming your way. Further information will be released shortly on how you may enter our select the Dream Team competition.

All Four Dream Teams will be announced at the Bowls WA Awards Night on Friday 2nd June and published soon after.
