FINAL WOMEN'S 2024-25 SATURDAY PENNANT DRAW

Proudly Sponsored by The Professionals Real Estate Group

* Changes may have occurred from the Draft Pennant Draw

Please read the following Information regarding the Open Gender Saturday Pennant Draw

The 2024-25 Seasons Pennant Draw is made up of 10 team 18 week colours, 8 team 18 week colours and 6 team 18 week colours

* Colours with 8 team's and 6 teams will still play 18 games with some teams playing each other more times than others. If teams have more Byes than other teams in the same colour, points compensation will take place using the system outlined in the General Pennant Conditions of Play

Each season Clubs put in draw requests when they submit the clubs entitlements. The consistent requests are

- * Consideration due to Green Space Availability beside the Open Gender Pennant Competition
- * All Teams At Home at the same time
- * A combination of Teams Home at the same time
- * No Teams at Home on certain dates

While all requests are catered for as best as possible, there are a number of reasons why not every request can be granted

* Green Availability - The 6 team draws, 8 team draws and 10 team draws home and away numbers do not match perfectly in any combination. Therefore making it difficult to ensure green requirements are met if you have a team in an 8 team or 6 team colour. Clubs need to work out before the season starts if this is an issue by reversing fixtures. If these actions are required, download the Alterations to Pennant Fixture form from the Bowls WA Website under Club Support/Forms and Documents.

* Teams at Home together - As above, 6 team draws 8 team draws and 10 team draws home and away numbers do not match perfectly in any combination. Therefore making it impossible to have all teams at home every week.

* Avoiding having a home game on a single date is possible, but if your greens are unavailable for multiple dates in a row it is impossible to avoid home games using a home and away number system. If your greens are unavailable due to other club events or construction, it is the home clubs responsibility to contact their opponent and make other arrangements. This can be done by reversing the fixture or finding a neutral venue. If these actions are required, download the Alterations to Pennant Fixture form from the Bowls WA Website under Club Support/Forms and Documents.
